10 October, General Meeting—Farmhouse Restaurant, Cruising with Bob Miller 25-26 October, District 16 Fall Council/Conference—Clearwater Hotel/Casino 9 November Granville Island, B.C. Day Trip

<u>Commander's Message</u> Kelly Libby, S

Hello and Happy Autumn to Skagit Bay Sail & Power Squadron! The fall boating season may have slowed a

few of us down as far as being on the water but our group is still busy! This last Monday, September 30th, our most wonderful Education Department, began a six-session "America's Boating Course" with seven students...most with boating experience already! This is a reasonable number for an "afterseason" course says Paul Rosetter, the lead instructor. "We expect more for the spring course when young minds turn to thoughts of...boating!" Young is defined as anyone under the age of 90 in case you were wondering!

Our October dinner meeting is next week, October 10th at the Farmhouse Restaurant! Our program this month is being presented by one of our members, Bob Miller and his lovely wife, Jean! Crossing the Atlantic on a Big Ship - Come to the dinner meeting to see and hear about Bob and Jean's 26 day Mediterranean and Transatlantic cruise in November 2010. They visited Barcelona, Naples, Rome, Livorno, Nice, Toulon, and go back to Barcelona. Then they head west into the Atlantic Ocean, while stopping at Cartagena, Madeira, Canary Islands, Nassau, and end up in Galveston. Listen to their observations of sharing a ship with 3,500 "friends" and learn why Bob says "never again." On the upside, they visit some really great places. This will be a fun program! As always, if you would like to attend a rendezvous or program and need a ride, please let me know and we'll find a way to get you there! My phone is 425-359-7078.

Lastly, a few of us die-hard, BBQ-loving members braved the weather last Saturday to celebrate our Squadron's 10th Anniversary at Cornet Bay. The forecast was "100% chance of rain" and "25+ mph winds" and this time the weatherman

could not have been more right! Despite the bad weather it was also "the most fun" said George Johnson. We all had no choice but to be close together under the "covered picnic shelter." Like the saying goes..."love grows best in small houses," I believe that's why we all still had fun!

Fall has arrived! In fact, it seems to be in full force a bit early this

year. We sure felt its effects at our annual squadron anniversary cookout at Cornet Bay on September 28th, but our group didn't let a little wind and "sideways" rain slow us down! Here in the northwest, it seems like a good 'ol blue tarp can save just about any cookout, no matter what the weather brings. We sure had lots of fun and great food. In fact, be sure and ask Chef Dale about his barbecue masterpiece: "Italians in a Hot Tub"!

Our next meeting is Thursday, October 10th at held at the Farmhouse Restaurant on Thursday, September 12th. As usual, our social time begins at 6:00 pm, the meeting will start at 6:30, with dinner at 7:00 pm and Bob Miller has graciously agreed to give us his review of his November 2010 Mediterranean and trans-Atlantic cruise. Hope to see you all there!

<u>Administrative Department</u> Mark Richey, SN

Hi Gang! I don't write here very much but t I would get the word out. We are in need of programs. If you

have any ideas on who you want to hear or have any contacts, I would love to hear from yo0u,.

We need programs for November February, March and May. I would love to know what might interest you.

On a sadder note. I don't know how many or if any of you knew P/D/C Carroll Walker from Everett. He was a long time member on as well as a past District commander. He passed away just recently and his memorial was this weekend.

I don't know how many of you have seen a memorial on a ferry but it was very nice that the Ferry Yakima stopped on its Friday Harbor run so we could have a short service and then we threw his ashes and flower s over the stern. It was a unique experience. If you knew him you can pay him respects every time you pass over 48 34.603' N and 122 52.957 W which is the junction of Lopez Sound, East Sound Upright and Harney Channel.

Here are some photos of the memorial>

Linda Martin from Everett reading the memorial

There were 45, mostly Everett at the memorial. They included Travis Smith from Friday Harbor, who some of us know and a lot of other members.

Electronic Navigation Course

Want to learn how to use the GPS chartplotter on your boat more effectively?

In this class you will study the Global Positioning System and learn the ins and outs of satellite-based navigation. You will see how to enter waypoints, create planned routes and navigate them safely, all to an average accuracy of ten feet.

Learn about buying a GPS chartplotter, or PC or tablet-based navigation software or using the chartplotter you now own.

Course material includes a 200 page student manual supplied by the Canadian Power and Sail Squadrons

adian Power and Sail Squadron and a CD which include a wealth of information, a chartplotter emulator, and a GPS simulator.

Learn GPS navigation on your home computer and plot your future routes before arriving at the marina.

- Fee: \$50 per person, includes the manual and software
- Dates: December 2, 4, 9, 11, 16, 18, 2013 and January 6, 8, 2014
- Location: Skagit Valley Hospital Shuksan Room 1415 E. Kincaid St, Mt Vernon, WA 98273

This special offering is an **alpha test** of the course material and fulfills the requirements for the USPS Marine Electronics ME103 course. Access to a Windows-based PC is required.

Pre-registration deadline is October 15, 2013 Contact Bob Miller, <u>bobmillerwa@hotmail.com</u>, 360-588-9950

October

As I write this, it isn't looking good weatherwise, due to high winds, for a Rosario weekend rendezvous October 4-6. Also, our boat still is out of the water. all the maintenance work is done, but we're awaiting kicker motor parts, so we will not be able to participate. Some of you may want to brave the weather and enjoy a low-key time at Rosario.

November

Back in January when we planned our 2013 rendezvous, I did not know that I would not be able to host the Nov. 9 Vancouver Day trip. I'm sorry! If anyone would like to host this event, please let me know. Essentially, people can motor on their own to Vancouver, B.C.'s Granville Isand; carpoolingis encouraged. Explore Granville then meet up for an early dinner about 5 p.m. I suggest Bridges Restaurant, which is nearby all the shops and studios. There are several parking lots around Granville.

RVers will be gathering at Fort Casey for Thanksgiving Weekend. You may want to join the group!

December

Good news for our December Holiday Meeting! We have reserved space for Saturday, December 7, at LaConner Pub and Eatery, right on the Channel, for the night of the Lighted Boat Parade. Festivities begin at 5:30 p.m. for cocktails followed by dinner while we watch the boat parade. Lynn and Bill Stewart are working on getting raffle items for a squadron fundraiser that evening. It'll be a fun time! Please let me know if you plan to attend.

Lastly, I'm on a big learning curve with my new Windows 8 computer, so I can't yet send any rendezvous photos for the newsletter this month. As an aside, I couldn't find a Windows 8 class to attend, so our local library recommended a few books. They pulled them off the shelf for my pickup. When I got there, I saw one was titled "Windows 8 for Seniors." How did they know!!! Here is the intimate group we had at our redestined Roche Harbor rendezvous changed to Friday Harbor. This was actually a lot of fun and a lot of island exploring since we all drove over.
