Commander's Message Kari Randall-Secrest, N

I sure hope your cruising trips during this past boating season were full of fun, adventure and a little relaxation all mixed in. It is definitely one Deanna and I won't soon forget since we saw Orcas during our Canada Cruise this year. As many years as we have been boating in Puget Sound and the San Juans, we have never had the opportunity to have Orcas come and check us out, so this year was a special one for us. We believe we saw J-pod members, including one of the young pod members, just outside of Bedwell Harbor on South Pender Island, B.C.. Beautiful!

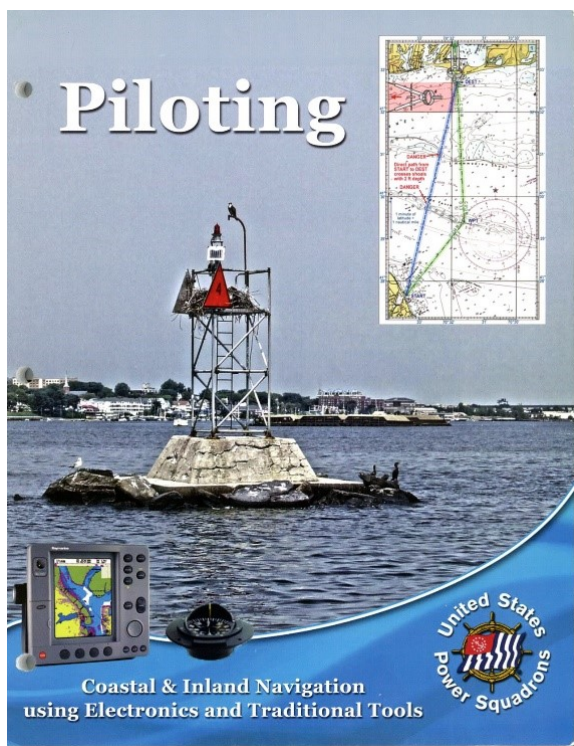

We had a great squadron anniversary cook-out on Sept. 26th at Cornet Bay. We must be getting it right, because the weather was definitely on our side this year.

We are nearing the time for merit mark submission, so if you have helped or volunteered in any way this year, and I know MANY of you have, be sure to send your merit mark submission to Debbie Richey. We want to be sure that everyone gets credit for their time and efforts.

Our next meeting will be held Thursday, October 8th at the usual time and place ... the Farmhouse Restaurant with social beginning at 6:00 pm, meeting at 6:30 and dinner at 7:00. The program for this month is a repeat showing of "Coldwater Bootcamp", a great program on coldwater survival that we showed back in 2010, so if you missed it back then, or you'd just like a refresher, be sure and join us on October 8th ... and we promise to bring the right electronic equipment this time. J

We should all be reminded about the cold, hard facts about cold water immersion ... Do you know about the "1-10-1 Principle"? The U.S. Naval Research Laboratory reports the average winter temperature of Puget Sound near Port Townsend is 45 degrees Fahrenheit in the winter and about 53 degrees in the summer. Because of the relatively cold water temperatures, survivability of people who are immersed in our waters by falling overboard or other means, is severely jeopardized. Join us at the October 8th meeting for a presentation of "Cold Water Bootcamp" where we'll learn about cold water immersion, its effects, and how you can maximize your chances of survival should you ever need it.

Education Department
P/C Debbie Richey, AP

As we settle into the change of seasons, is there a course you would like to take? Did you know that USPS offers many different seminars? This website has lots of information on them: <http://www.usps.org/national/eddept/seminars/main.htm> . If you see one you're interested in, let me know and we will arrange a course.

One of the educational offerings is On-The-Water Training (OTW). This would be in conjunction with one of our advance grade courses (Seamanship, Piloting, etc). If you would be interested in getting this going in our squadron, I am looking for a volunteer to head this up. Many squadrons like to use the student's boat for OTW so that they can get a feel for their own boat.

In November we will be teaching a Piloting course at Skagit Valley Hospital. You will learn how read and use a chart, plot your course to avoid hazards and how to use your GPS for plotting those courses. Bob Miller will be teaching the course and it will star on November 16, 2015, with a break for the Christmas holiday. Please make sure to let Bob Miller (bobmillerwa@hotmail.com) know if you will be taking the class by October 26. That will ensure we will have the materials in time for the course to start.

If you are interested in some other courses, Everett Sail and Power Squadron (ESPS) will be teaching the classes listed below. Please contact Joellyn Jackson, joellynj@hotmail.com for more information.

Start date	Course	Instructor	Cost (member/non-member)
7 Oct 2015	Seamanship	John Tarpley	\$60/\$90
Jan 2016	Jr. Navigation	Chuck Taylor	\$105/\$160
7 Jan 2016	Piloting	Renee Olson	\$80/\$115
mid-Jan 2016	Cruise Planning	Susan Tarpley	\$55/\$85
mid-Mar 2016	Adv. Piloting	Chris Brown	\$60/\$85

EXTRA CREDIT!!

If you have a Lifesling on board have you ever tried it out? Here is a great article on how to pack the Lifesling and make sure it's ready for use: <http://theboatgalley.com/is-your-lifesling-ready-for-use-are-you-sure/> . I know we have repacked ours and made sure it was tied to the boat, but we haven't really tried to bring anyone on board with it. I think we need to that. How about you?

Remembering July 4th Rendezvous..

As we ease into the fall season, I think back to a wonderful 4-day July 4th weekend rendezvous in Bellingham. This year we more than filled U-dock; we had 2 sailboats at the adjoining dock also. Boating participants were Mike and Sheryl Wytychak on Raven Dancer, Anne and Rolf Nesse on Mystic Knot, Kari and Deanna Randall-Secret with Kari's parents Pam and Nick Secret on Briongloid, Mark and Debbie Richey on Quiet Time, Dale Libby on Fish & Chicks, Paul and I on Time Flies and Barbara and Glen Blake on Baelena II from the Canadian Power Squadron. Sandy and George Johnson, Sharon Knowles, and Albert Miller joined us for a happy hour dinner at Anthony's Friday.

Saturday we perused the Farmer's Market and other shops for Saturday evening's potluck dinner.

On the 4th, a few of us decorated our boats. Of note was Baelena II as I watched Glen Blake string a line of flags up and down the mast. I was curious what message he was demonstrating, so I grabbed my Chapman's, looked up what the flags meant and prepared a translation for the group during Happy Hour that afternoon. Here's what Glen was telling us:

"We're from Canada and France. A Romeo pilot is on board. Barb is down diving. We have dangerous cargo. We're on fire, and have a desire to communicate for you to keep clear, and we request pratique."

Here are some photos from the weekend.

Dale Libby 's "Italian Carbonara" for Two

Ingredients:

- 4 ounces bacon, cut into 1/4-inch cubes (I like to use smoke applewood or Costco Bacon Bits)
- 2 Minced Garlic Cloves (Optional)
- 1 Tbsp Olive Oil
- 1 tsp Ground Black Pepper, or to Taste (Optional Red Pepper Flakes)
- 2 Eggs
- 6 Tbsp Grated Parmigiano-Reggiano Cheese
- 6 Tbsp Grated Pecorino Romano Cheese
- 1 tsp Ground Black Pepper, or to Taste
- 6 Ounce Spaghetti (Barilla Whole Grain)
- 1 Cup Reserved Pasta Water

Directions-

Cook bacon with olive oil and 1 teaspoon ground black pepper in a Dutch oven over medium-low heat until almost crisp, about 5 minutes. Reduce heat to low.

Whisk eggs, 3 tablespoons Parmigiano-Reggiano cheese, 3 tablespoons Pecorino Romano cheese, and 1 teaspoon ground black pepper (Red Pepper Flakes) in a bowl. (Set aside) Note...it will be incorporated in with the spaghetti later...this will become your sauce)

Bring a large pot of lightly salted water to a boil. Cook spaghetti in the boiling water, stirring occasionally until cooked through but firm to the bite, 10 to 12 minutes. (Drain, reserving 1 cup of the pasta water.)

Pour reserved pasta water into the bacon-pepper mixture; stir to combine.

Pour drained spaghetti into the bacon-pepper pasta water mixture; stir to combine.

Slowly pour egg mixture into the pasta mixture; cook, stirring constantly until the egg mixture forms a thick sauce, 1 to 2 minutes. (Remove from heat.)

Stir remaining 3 tablespoons Parmigiano-

Reggiano cheese and 3 tablespoons Pecorino Romano cheese into the pasta mixture and serve...Note- if you like cheese like I do, then add more to your liking!

I like to have this with a glass or two of Chianti .

Did you know...

Possession Sound-

Is part of Puget Sound, located between Whidbey Island and the coastline of Snohomish County approximately between the cities of Everett and Mukilteo. Possession Sound connects the main Puget Sound basin to the south with Saratoga Passage and Port Susan to the north. The Snohomish River flows into Possession Sound at Port Gardner Bay. Gedney Island, also called Hat Island, is located in Possession Sound.

Possession Sound was named by George Vancouver. On June 3, 1792, Vancouver landed near the present site of Everett and celebrated the birthday of George III by holding a ceremony claiming possession of the land of "New Georgia" for Britain. Due to his circumnavigation of the world, Vancouver's dates are off by one. June 3 was, by his reckoning, June 4, the king's birthday. His possession ceremony also involved the naming of Possession Sound, Port Gardner, Port Susan, and the Gulf of Georgia.

In 1825 a large piece of the southern tip of Camano Island slid into Possession Sound—an event known as the Great Slide. A resultant tsunami from the slide drowned many Indian residents of nearby Hat Island. After the Tulalip Indians used the site only for seasonal clamming.
