01 January 2022 — Happy New Year

Happy Holidays and Merry Christmas to All. Please come out to our Christmas Event and also think about what you want to do next year so you will have ideas ready for the January meeting. Please be careful on roads, especially New Years Eve!

Remember—HE is the reason for the season.

Commanders Message Carolyn Caporgno, S

Looking forward to the upcoming Lighted Boat Parade in La Conner and dinner at The Pub.

Hope you can join us for holiday cheer.

It's not too early to start thinking where you would like to go with America's Boating Club of Skagit Bay in 2022. We will have our annual planning meeting in January, and you will have an opportunity to voice your opinion. Did you go to a new place this year that you think the group would enjoy? Did you go to same of the same old places, but wouldn't mind going back? Write down those ideas. We are looking for speakers for our general meetings in March, April and possibly June. Have you met someone who has an interesting talk within the boating industry or who has taken a cruise of a lifetime on their own vessel? You? Keep those ideas in mind and bring them to the meeting as well. Are there courses you would like to see our Education Department offer in 2022? Let us know as that will be up for discussion in January. I'd like to wish everyone of you a safe and happy December. May your family celebrations bring you joy and happiness.

Educational Department Lt/C Mark Richey, SN-IN

Welcome to the end of another year.
We got at least one public class
taught this year and have another
planned. I hope some of you took
advantage of the classes and semi-

nars offered by other squadrons.

During our January activity planning meeting we may discuss upcoming education opportunities as well as talking about those of you that may want to get involved in teaching. I have spoken with a couple of you that seem excited about getting involved in the department and would love to hear you input.

We can offer advanced grades and specialty courses to the public and that had been aasked of me by some of you. Go look at

https://americasboatingclub.org/learn/education-matters/all

for everything we can offer both virtual and inperson.

There have also been some of you asking about hands-on and on the water training. We can offer that but need interested and skilled boated to do it and Bellingham does have the program in place for those of you wanting to go. That may be more of a summer thing.

Take care this winter and be safe.

Squadron Activities By P/C Donna Mason, AP

See you at our <u>Lighted Boat Parade and Holiday Party at the LaConner Pub, December11</u>. By now you will have made your reservation.

At our January Members Meeting, bring your ideas for activities as we plan our 2022 Activities.

It is time for my annual boating/water-related Holiday book gift suggestions:

<u>Mutiny on the Rising Sun: A Tragic Tale of Slavery, Smuggling, and Chocolate</u> shows how the illegal trade created demand for exotic products and how slavery and smuggling were integral to the development of American capitalism.

Waters of the World: The Story of the Scientists Who Unraveled the Mysteries of Our Oceans, Atmosphere, and Ice Sheets and Made the Planet Whole shows how scientists who summited volcanoes, cored mile-thick ice sheets and flew inside storm clouds to understand our Earth's atmosphere and climate.

<u>The Weather of the Pacific Northwest: 2nd Edition explains the complex interaction of atmosphere and topography in the Pacific Northwest.</u>

<u>Cascadia Revealed: A Guide to the Plants, Animals, and Geology of the Pacific Northwest Mountains,</u> a field guide to explain about all those things you see from your boat as you cruise through the Pacific Northwest.

<u>Adrift</u>, one of the three in the "Strong Heart" series, follows salvagers intent on claiming the remains of a burned-out cargo ship in the Gulf of Alaska.

<u>Underwater Wild: My Octopus Teacher's Extraordinary World</u>, by the makers of documentary film "My Octopus Teacher" covers new ocean biology research with breathtaking photographs. The Alaska Heritage Seafood Cookbook includes fascinating tidbits of Alaska history and lore.

For young readers: <u>Viking in Love</u>, a laugh out loud picture book about a Viking facing his fear of the sea.

<u>Inside My Sea of Dreams: The Adventures of Kami and Suz</u>, a seafaring adventure to Alaska, a little girl's big adventure in a tiny kayak.

America's Boating Club of Skagit Bay General Meeting Minutes, November 11,2021 Farmhouse Restaurant

Attendees: Carolyn Caporgno, Glen Caporgno, Jack Dyer, Don Coleman, John Bellinger, Marlene Bellinger, George Brooks, Jeanne Brooks, John Woodward, Donna Mason

(Minutes taken by Donna Mason in Sec'y Debbie Richey's absence)

The meeting was called to order by Cdr Carolyn Caporgno at 1834 hours. After a non-flag salute, officer's reports were given.

Marketing: Donna Mason announced there are three downloadable, print-at-home brochures (ABC, Membership and Education) and a flyer about the Free ABC Mobile App easily obtainable at USPS' MarCom (Marketing Communications webpage). You don't need to sign in with your member number. Anyone can print these at home should the need or opportunity arise to encourage a new person to take a class, learn about ABC, etc. We discussed boat dealerships as a next marketing opportunity phase.

Education: Carolyn reported that Mark Richey's class flyer is in the November "Bitter End". She recommended adding a class planning session along with our activities planning at the January General Meeting. Shelter Bay may be interested in our class and seminar offerings. Three members meet regularly with the yacht club incoming commodore and will talk with him about our offerings. Carolyn is pursuing being a speaker at one of the Shelter Bay meetings.

Administrative Officer: Carolyn reported we still need an AO and there are slots open for speakers, especially next March.

Squadron Activities: Donna reported that we have 24 spaces for the Holiday Party and Lighted Boat Parade at LaConner Pub, Saturday, December 11 beginning at 5 p.m. Our squadron has the entire covered outdoor patio which has plastic sheet wind protection and heaters. A sign-up sheet was passed around, and she will send an email to members. She also encouraged members to think of activities they'd like to do in 2022 and offer them at the January Activities Planning Meeting.

(There was a temporary adjournment for dinner from 1848 to 1908 hours.)

Secretary: Carolyn filled in for Debbie Richey. The minutes of the October 14 General Meeting were approved with a correction to the starting time.

Treasurer: Jack Dyer reported there is a checking account balance of \$4xxxx as the end of October. Expenses so far for November are \$4 bank fee and \$68 storage fee. There was discussion about getting a checking account without fees.

Commander Carolyn suggested pursuing a partnership with Shelter Bay Yacht Club (covered above)

Old Business: The National Treasurer's Report is on the website.

George Brooks took the Instructor Requalification via Zoom. Jim West ran an excellent class. The USPS Zoom permit ends the end of December and National USPS will have to renew it. Could be a problem for Mark's planned January class if there are delays.

New Business: Woody Woodward offered that the recent D16 Marina Hop was a success, and it should be offered every year.

The meeting was adjourned at 1924 hours.

Please note the vacancies. You don't need an advanced grade. Every little bit helps. Pick something you think you can do and help out. If you don't know what a spot does, ask the chair.

If you no longer wish to hold the committee spot we have you in, please let us know.
